IP Addresses

We use IP addresses to help diagnose problems, to administer our website, and to gather demographic information. We may also use IP addresses or other information, such as your 001 TRANSLATION.com user information you have shared on this website or at any earlier occasion or a campaign code, to determine which pages on our sites are being visited and topics that may be of interest so we can provide you with information about relevant products and services. Generally, 001 TRANSLATION will aggregate such data only in an anonymous way and will not tie it to a particular individual unless he or she has given consent. When you visit our site, we recognize only your domain name.

001 TRANSLATION may also collect IP addresses (and other technical information such as browser type) during a Click-to-Chat or Click-to-Call sessions that you initiate. Automated Tools

In addition to the information you provide, 001 TRANSLATION may also collect information during your visit to a 001 TRANSLATION website through automated tools, which include Web beacons, cookies, embedded Web links, and other commonly used information-gathering tools. These tools collect certain standard information that your browser sends to our website such as your browser type and language, access times, and the address of the website from which you arrived at an 001 TRANSLATION website. Using these tools, 001 TRANSLATION is also able to confirm receipt of e-mails that the recipient consented to receive, and can track other information such as pages visited on the 001 TRANSLATION site and whether or not the recipient registers for an event offered by 001 TRANSLATION and certain other aggregate data that is not related to a particular individual.

Embedded Web Links

Emails from 001 TRANSLATION often use links designed to lead you to a relevant area on the Web, after redirection through 001 TRANSLATION's servers. The redirection system allows 001 TRANSLATION to change the destination URL of these links, if necessary, and to determine the effectiveness of our marketing initiatives.

In emails, such links may also allow 001 TRANSLATION to determine if you have clicked on a link in the email, and the information about this interaction may be connected to your personal identity. If you do not want 001 TRANSLATION to collect information about the links you clicked, you can simply choose not to click on the links in an e-mail that 001 TRANSLATION sends you.

Our site includes order forms that you fill out to request information, products, and services. These forms may collect your financial information, such as your banking details or credit card numbers. 001 TRANSLATION promises to use any financial information that you submit solely for billing and payment purposes for that special transaction. This may include the transfer of your data to third parties involved in executing the transaction, such as banks, credit card companies and other financial and credit control institutions.

Sharing Your Personal Data

As a global company, 001 TRANSLATION operates a number of Web sites around the world. Any data and information that you volunteer or that is otherwise collected on one of our sites in any one country may be sent electronically to a server for one of these sites in another country. We safeguard your privacy interests around the world by ensuring that this 001 TRANSLATION site adheres to our data protection principles described in this statement.

Companies in the 001 TRANSLATION Group may use the information internationally in connection with processing your inquiries and orders, to help improve our products and services and for processing and storage.

We may also share such information with business partners, service vendors, authorized third-party agents or contractors in order to provide a requested service or transaction, including processing orders, processing credit card transactions, hosting websites, hosting event and seminar registration and providing customer support, or providing you with information on products and services that may be of interest to you.

We only provide these third parties with the minimum amount of personal data necessary to provide the services on our behalf, and the third parties are not permitted to use your personal data except for the limited purpose of completing the requested service or transaction.

We do not sell or rent your personal data to third parties for marketing purposes unless you have granted us permission to do so.

We may respond to subpoenas, court orders, or legal process by disclosing your personal data and other related information, if necessary. We also may choose to establish or exercise our legal rights or defend against legal claims.

Circumstances may arise where, whether for strategic or other business reasons, 001 TRANSLATION decides to sell, buy, merge or otherwise reorganize businesses in some countries. Such a transaction may involve, in accordance with applicable law, the disclosure of personal information to prospective or actual purchasers, or the receipt of it from sellers. It is 001 TRANSLATION's practice to seek appropriate protection for information in these types of transactions.

We may collect and possibly share personal data and any other additional information available to us in order to investigate, prevent, or take action regarding illegal activities, suspected fraud, situations involving potential threats to the physical safety of any person, violations of 001 TRANSLATION's terms of use, or as otherwise required by law.

While visiting 001 TRANSLATION's website you may be directed to content or functionality that is hosted by a third-party supplier, not on 001 TRANSLATION.com. Most often, this is done to host special events, such as contests or seminars. When information is collected on behalf of 001 TRANSLATION exclusively, the appropriate 001 TRANSLATION entity's privacy statement will be referenced on the site and will govern how information is used. For other, non-001 TRANSLATION sites, the site's owner's privacy policy will be referenced. It is 001 TRANSLATION's practice to require such suppliers and business partners to handle information in a manner consistent with 001 TRANSLATION's privacy statement.
